

Teknon Electrical Services — A name you know, a reputation you can trust

Teknon Electrical Services (TES) is a full service commercial electrical contractor, offering design, installation and maintenance of electrical systems throughout the Puget Sound.

As an affiliate of Teknon, Teknon Electrical Services is run by the same knowledgeable management team. That means that with TES, you'll enjoy the same level of service and commitment that have become synonymous with the Teknon name for over 30 years.

TES Electrical Services include:

- Electrical Systems Construction
- New Construction and Tenant Improvements
- Customized Electrical Solutions
- Commercial Electrical Maintenance
- Emergency Service
- Electrical Design/Build and Design/Assist
- Value Engineering and Dynamic Collaboration
- Building Information Modeling (BIN)

Teknon Electrical Services, and our team of IBEW wiremen consistently deliver on-time, quality work of the highest safety standards, within budget.

When it comes to safety, our crews (and you) are in good hands. Our experience and precision have earned Teknon Electrical Services one of the best EMRs, resulting in numerous safety awards.

The next time you're in the market for design, installation or maintenance of your electrical systems, contact Teknon Electrical Services.
